

Cancellation Form

If you have signed Terms of Engagement with us and wish to cancel, you may use this form to request cancellation of your contract with us. Alternatively, you can email us at helpdesk@allegiant-finance.co.uk.

Cancellation is free within 14 days of us receiving your signed contract. After this, fees may apply if a settlement offer has been made (for which our success fee would apply). Please see section 6 of our Terms of Engagement at <https://allegiant.co.uk/compliance/terms-of-engagement/> for full information on our cancellation terms, including why fees could apply, together with other cancellation methods.

Upon receipt of a request for cancellation, we will review whether fees apply and will respond appropriately.
